

## Westell Technologies Announces Reactivation of Share Repurchase Program

AURORA, IL, October 27, 2009 &ndash; Westell Technologies, Inc. (NASDAQ: WSTL), a leading provider of broadband products, outside plant telecommunications equipment and conferencing services, today announced its intention to reactivate its existing share repurchase program. The company's board of directors previously approved the repurchase of up to an aggregate of \$10 million of its Common Stock. Approximately \$8.3 million remains available for repurchase under that authorization.
